Selectmen's Meeting

SELECTMEN SET DATE FOR
SPECIAL TOWN MEETING

William Hebert met with Selectmen concerning a petition submitted by him to require a special town meeting to consider the Old Colony budget. Chairman John DeCosta told Hebert that, fortunately, the cherry sheet figures had been received by the town which would make such a town meeting economically feasible, since the town would have some idea of the funds available to it and could consider other matters held in abeyance until the town's income were known. Mr. DeCosta said that the date most convenient in the busy summer season seemed to be a Monday night of August 16. He said the cherry sheet allotment to the town was $565,391. which represented an increase of $21,853.

Regarding the Old Colony budget, the Selectmen reiterated their disappointment that the other towns of the district had abondoned the gentlemen's agreement made between these towns, without notification before or after their town meeting votes to scuttle level funding. Mr. DeCosta told Hebert that the town would not wish to hold a special town meeting solely for Old Colony but with the fortunate arrival of the cherry sheet the matter could be accommodated with the other financial business of the town.

JURORS DRAWN

Drawn for jury duty at the Criminal/Civil session in Brockton starting August 2nd were Rosalie N. Boling, 7 Maplewood Street; Barbara D. Hiller, 43 Water Street; Constance H. Trott, 11 Crystal Spring Road.

BAY CABLE COMPLAINTS

Selectmen read that 16 complaints had been received from Bay Cable TV subscribers for the quarter, all of them verbal. Total complaints for the year are 42. Selectmen noted that according to the contract, Bay Cable is

required to respond to a written formal complaint and must notify the Town Hall of the response. The Selectmen suggest that people who have a complaint write it to Bay together with a copy to the Town Hall, Selectmen's Office.

CITIZENS FOR CITIZENS

A solicitation was received from a non-profit group called Citizens for Citizens to see if the town would vote to let the group manage the state fuel aid program. According to available information the C for C would take 6% of the fuel aid money off the total for administration costs. There are 22 programs offered under the C for C program. Selectmen requested Executive Secretary Carol Adams to research the proposition in greater detail.

SHELLFISH PROBLEM

Shellfish Warden Al Pauline notified Selectmen that a series of violations has occurred that involve people who rent cottages. They are shellfishing using the cottage owner's license. This is not allowed. Each family must have a license and a cottage renter must be in residence for one month to qualify for a shellfish license. At present the town has 800 licenses issued.

The Selectmen will send a warning to violators of the shellfish regulations.

outlining the present administration's position on a nuclear freeze.

From Ron Michalski, of Tighe & Bond, a copy of a letter sent to association members concerning the recent water pollution control needs study being conducted throughout the town. This letter was sent to 7 beach associations in the town.

From David Bartley of Governor King's office, a notification that the amount of funds allocated for Mattapoisett for FY'83 in regard to shellfish has not yet been allocated. The money the town will receive will now depend upon Mattapoisett filing a shellfish management plan as now required by the language in the budget item.

From SRPEDD that there will be a meeting of the Joint Transportation Planning Group on Wednesday, July 21, at 2:30 p.m. in the Taunton office. Under discussion will be several items of importance such as: merger of MDPW's Districts 6 and 7; New Bedford's bridge; and Route 6 restripping status. Selectman Frank Suzan and Highway Surveyor Manuel Nunes will attend.

Sewer Study Progress

MEETING SCHEDULED JULY 29

The Mattapoisett Water Pollution Control Study, evaluating the sewerage needs of the community, has progressed from the field work and background investigation stage to the review stage.

As part of the field work, more than 1,300 survey cards were mailed to Mattapoisett residents seeking general information from each homeowner on the effectiveness of his/her septic system. Fifty-five percent of the survey cards were returned to Mattapoisett's engineering consultant, Tighe and Bond/SCI. Of the cards that were returned, 25% of the homes indicated that they have experienced a problem with their on-lot sewage disposal system; 41% indicated that they were aware of problems in the neighborhood and 39% indicated an interest in sewer system expansions.

Following the card survey, the engineers performed a field inspection of more than 1,100 homes in Mattapoisett asking questions about the effectiveness of on-lot sewage disposal systems and reviewing the location of the existing septic tank/cesspool. The field survey work was accomplished to determine the extent of problems as well as to review neighborhood characteristics, such as housing density and age.

The field survey work is not complete. Some locations had a substantial number of summer seasonal homes. These areas are currently being surveyed during prime occupancy.

To date, the study has determined that there are areas of Mattapoisett where residents have problems with their septic tanks/cesspools. With information in hand, the engineers are reviewing possible solutions and methods to alleviate existing problems.

Tighe and Bond/SCI has been coordinating the study through an Advisory Group comprised of various Mattapoisett Boards including the Board of Selectmen, the Board of Health, the Planning Board, the Board of Water and Sewer Commissioners and the Conservation Commission. It is planned that the results of data collected to date will be presented at a second public meeting scheduled for July 29, 1982 at 7:30 p.m. on the second floor of the Mattapoisett Town Hall. At that time, interested citizens of Mattapoisett, year round or seasonal, will have an opportunity to comment on the study and voice their opinions.

Since the water pollution control study is intended to review existing sewerage problems and possible solutions, it is important that input from the public be received by the engineers and the Town to insure that the study will meet the immediate and long term needs of Mattapoisett.

The $85,000 study is being funded by a $64,000 federal grant and a $13,000 state grant and is scheduled for completion sometime in the late fall of 1982.

Benefit Whist Party

The Rochester Woman's Club will be sponsoring a Whist Party on Saturday, July 31st, at 7:30 p.m. at the clubhouse on Route 105, Rochester. This will benefit the American Cancer Society. This has been an annual project of the Rochester Woman's Club and the members have been collecting prizes for the whist. Rochester merchants have been very generous and there will be many prizes. Refreshments will be available.

Members of the committee include Mrs. Nadine White, Mrs. Louise Watling and Mrs. Katherine Church.

Anyone who would like to make a donation please call 763-2015 or 763-8461.

MATTAPOISETT HARBOR DAYS

MATTAPOISETT HARBOR DAYS IN FULL SWING ATTRACTED LARGE CROWDS OF BROWSERS IN SPITE OF VERY HOT CONDITIONS ON SATURDAY BUT FAR MORE COMFORTABLE BREEZES ON SUNDAY.

THE HOT AIR BALLOON WAS SCRATCHED BUT SAILBOATS FOUND IDEAL CONDITIONS FOR THE RACE ON A HARBOR SWEPT BY THE STRONG WINDS. BOATERS TOOK ADVANTAGE OF THE WEEKEND TO DO THEIR THING AND STILL ENJOY THE FESTIVITIES AT THE WHARF. THE BUSIEST PLACE IN TOWN HAD TO BE THE WHARF IN CLOSE COMPETITION WITH THE BEACH.

A LOT OF PEOPLE DEPEND ON SOCIAL SECURITY CHECKS.

Unfortunately you may not be the only person waiting the day the checks come. Which is why we are urging you to sign up for Direct Deposit of your Social Security checks. Direct Deposit means your checks will go straight from Washington right into your bank account. Nobody can rob them. Or you. Talk to a bank about Direct Deposit. Do it today. This is one way you can stop crime from paying. This advertisement is run in cooperation with the police departments of the Greater New Bedford area.

Mattapoisett Harbor Days

HUGE SUCCESS FOR HARBOR CELEBRATION

The summer season displayed its very best for the Mattapoisett Lions Club Harbor Days as the July weekend was ideal for most of the varied events. Participation was excellent with a large contingent of craftshow people and crowds throughout both days.

To open the event, King Lion Arthur Blackburn welcomed all of the participants and then was joined by former King Lion Paul Levine, Selectmen John DeCosta, James Huntoon and Frank Suzan in a tree planting ceremony at the east front of Shipyard Park. A red maple was added to the row of trees along this side of the park. Mr. Blackburn explained that the tree planting was a one time gift and the Lions had no plans to make it an annual event to make a forest of Shipyard Park. Good crowds were present to enjoy the displays and to watch the extra events of the two days which included an around the harbor triathlon with a 3-member team racing with bike, rowboat and on foot across and around the harbor, a pie eating contest, a fishing derby, Chinese auction, rescue and fire department display, antique car exhibit, musical entertainment and square dance.

The team of William Muldoon, on the bike; Paul Bono, rowboat; and Julie LeClair, on foot, won the Triathlon in a time of 37 minutes. Matt Lanagan won the pie eating contest; and in the fishing derby, the largest bluefish was caught by the Mattapoisett Inn team, and the largest scup by Rich Cutler.

Winners in the Sunday sailboat races were as follows:

Handicap, Dick Stevens in Duende, first; Roy Miller in Buckeye, second; and John Malcolm in Narita, third.

Corinthians: Conrad Roy in Cojonbecky, first; J. Murray, Galway Bay, second; J.L. Flynn, Balmy, third; Robert McGowan, Tusumami, fourth.

Lasers: Ned Watts, first; Paul Downey, second; Brendan McCarthy, third; Greg Downey, fourth.

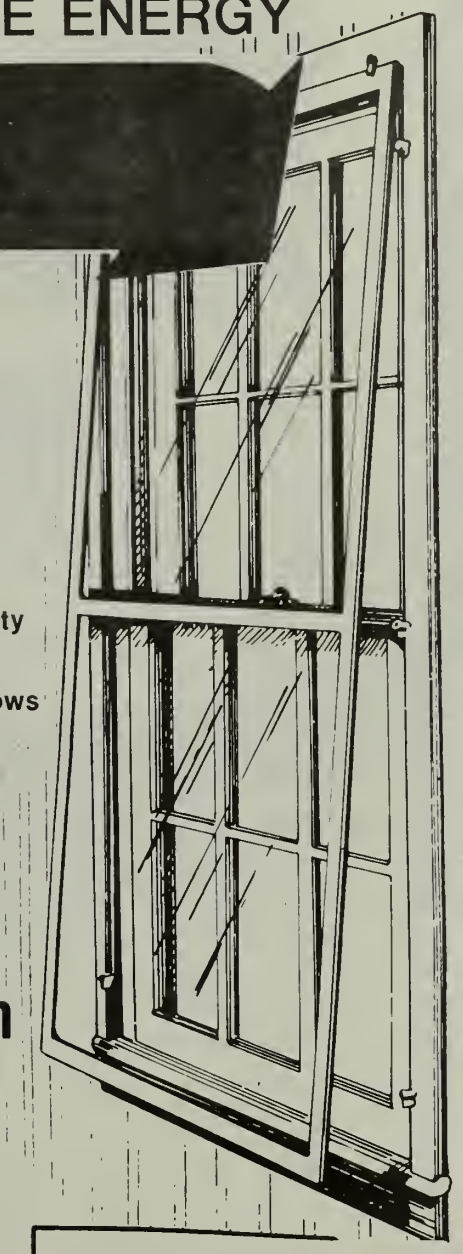
INTRODUCES

Panelair

THE INEXPENSIVE WAY TO SAVE ENERGY

GLASS INTERIOR STORM WINDOW



Reduces Cold Air Infiltration Up To 92%

The Panelair inside storm window provides a much needed thermal barrier reducing conducted heat loss and air infiltration up to 92%. . . plus it virtually eliminates the formation of condensation on primary window.

- **Keeps out dust and soot**
- **Muffles outside noises**
- **Saves air conditioning dollars**
- **Custom built to fit air tight**
- **Easy to install and remove**
- **Long lasting beauty and durability**
- **Adds value to any property**
- **Maintains architectural integrity**
- **Accommodates casement windows**

Perfect For Home Or Condo

Each window is custom-built to your specifications. This makes them adaptable to just about every application. When aligned with existing windows they are unobtrusive both inside and out. Gives double or triple protection if used with outside storm windows.

Simplicity, Durability, Protection

Simple in construction, the Panelair consists of a sheet of clear glass, set in a vinyl gasket within a U-frame aluminum channel. Optional glazings (acrylic D/S ¼" laminate and ¼" plate are available). A vinyl bulb-type weather stripping provides air-tight seal. Frames available in white and brown or can be painted to match existing woodwork. This lightweight design allows the window to be hung from the top casing of the primary window and held securely in place by spring loading clips. Allows for easy access for cleaning and removal.

We do all the measuring. You can install them yourself or we can arrange installation.

Put Your "Idle Assets" to work at Plymouth Savings®

Your IDLE ASSETS can now work for you at Plymouth Savings Bank. Most of us have a valuable asset which we pay little attention to—the cash value of your life insurance is available at a low rate of interest, usually 5 to 6%.

The IDLE ASSETS Program evaluates the cash you have available and shows you how this money can earn interest for you in an IDLE ASSETS Certificate of Deposit for 30 months.

Example: If you have $5000 of cash value in your life insurance that you can borrow at a 5% interest rate, you can deposit that amount in an IDLE ASSETS Certificate of Deposit and not reduce your life insurance coverage one bit. At the current rate* of 11% for 2½ years, this represents a gain of 6% or $300 per year. Over the span of 2½ years you will have realized a gain of $750., while being provided with additional life insurance for the full 2½ year term in the amount of your certificate. Certificates are available in amounts of $1,000 to $10,000. Plymouth Savings has set up a special department to help you earn more with your IDLE ASSETS.

less of ability to pay. In spite of increased costs to the MVNA, in order to comply with various state regulations, it has maintained its high standard of service. The response of the town to its annual fund-raising campaign has helped the MVNA continue with the level of excellence expected by the residents. Now in its 68th year, the MVNA once again asks for the generous support of the entire community.

In addition to nursing visits and home health aides, the MVNA provides, through contract with the Easter Seal Society, physical therapy, speech therapy, occupational therapy, and social services to its clients. Medical equipment is also available. In addition, at a recent meeting, the Executive Board voted to sign a contract with St. Luke's Hospital that will enable the MVNA to offer a formal Hospice program to its patients.

Co-chairpersons of the drive are Cynthia Harlow, Alta Riddell, and Joanna Severance.

The nursing staff of the MVNA includes Mrs. Edna C. Archer, R.N., Administrator; Mrs. Mary J. Gallini, R.N., Mrs. Shirley Hartley, R.N. and Mrs. Paula Camacho, R.N. The Visiting Nurse office is located at Sippican School; the day telephone number is 748-1020.

IRISH CHILDREN SPENDING
THE SUMMER IN MATTAPOISETT

Forty children from Belfast, Northern Ireland, arrived in Boston on June 28th. The holiday for these nine to eleven year olds of both the Catholic and Protestant faiths was organized by the Cape Irish Children's Program, and made possible through fund-raising and the immense hospitality of hosting families.

9:30 to 5:00 Monday through Saturday

For the first time since its initiation in 1975, the Program this year involves the placement of children in our "neighborhood". Dr. and Mrs. Thomas McCormack have Elizabeth Moore with them; the Donald Flemings are hosting Julie Crawford, the James Osborne family has added Jason Hill to its roster. A fourth child, Audrey Morrison, is in Acushnet with the James Whitehead family.

In addition to providing a respite from the turmoil of their native city, it is hoped that these children will experience the harmony in which people of different beliefs can live and carry that with them upon their August 9th departure.

The SAINT ANTHONY'S WOMEN'S GUILD would like you to meet these children and is sponsoring a cook-out supper on Saturday, July 31st, on the church grounds from 5:30 to 7:00 p.m. The menu includes hamburgers and hot dogs, assorted salads, baked beans, ice cream, soft drinks and coffee. All tickets will be sold at the door. In case of rain, the "cook-out" will be held in the Church Hall. Chairperson of the event is Mrs. Dolores Jones (758-2678).

Search for New Pastor

A Search Committee has been named to find a replacement for the Rev. Donald H. Finley who recently retired as minister of the Mattapoisett Congregational Church. This committee is comprised of William Armitage, chairman; Ray Anderson, Ellie Blackburn, Lori Bungert, Louise Campbell, Jackie and Dave Goodenough, William Matthews, Al and Leah Pinkham, Timmy-Ann Russell and Kenneth Stickney.

The Committee would like input as to the type of person they should be looking for. They also would like to provide the candidates with a profile of the church; its current membership, programs, goals and needs.

In order for church and precinct members to meet with this committee a clam chowder supper is being held on Wednesday, August 11th, at 6:30 p.m. At this time committee members will speak informally and ask each of those attending to fill out a questionnaire to provide the information planned to send

Mattapoisett Road Race: Open

UNIVERSAL VS POPULAR

A record amount of runners (390) ran the 12th annual Mattapoisett Road Race which was open this year to anyone wishing to run in the race.

To quote an editorial from the Sentinel: "It may not be a universally popular choice but it will mean good things for the race and the town that hosts it." This quote best describes the reasons for the race being open from this point on. It seemed like everyone from town had something to do with the race this year. From the runners (123 from the Town of Mattapoisett alone) to the sponsors, to the people along the race route, everyone was so helpful in making this year's race a big success. Furthermore, the race committee met their goal which was to establish scholarships from the proceeds. Yes, it may not be a universal choice to open the race up, but it would be hard to deny that it sure was a popular choice.

There were so many factors that make this year's road race so successful that you just can't set one factor as better than another. The order of the factors does not mean that one is more important than another, so with that in mind let's consider some factors for the success of this year's race.

The Town of Mattapoisett with its picturesque waterfront and village has everything the Cape has to offer except the traffic.

The weather, someone must have had an in with Mother Nature for we sure had one of the best days so far this year as far as the weather goes.

The Townspeople - As I was running the course, everywhere I looked there were people cheering you on, giving only words of encouragement with enthusiasm. Thank you residents of Mattapoisett, especially those along the race course for your support. It means more than you probably understand.

The Merchants of Mattapoisett for your support in helping the race committee in obtaining a goal to establish scholarships for our local schools. These scholarships will go to a deserving student who is a standout in track. They will be chosen by the coaching staff of the schools involved.

The Police Department - the overall cooperation of the police department was, to say the least, brilliant. Can't ask for anything more, so on behalf of 390 runners thank you Mattapoisett Police Department.

The Rescue Squad went into action this year giving aid to a couple of less fortunate runners. They seem to always be there when you need them. Also thanks to Dr. John Conway and Dr. Philip McCarthy; both were there lending their help after running the course themselves.

The Highway Department - Thanks Manny and Company for your cooperation.

The Selectmen were very helpful from the very start. They gave us full support and help from start to finish.

Next to last but not least, the 390 runners who participated in the race, you were great. I haven't heard one complaint and I really don't expect any either. There has been just supportive feedback.

FIVE MILES LATER: Joe McCarthy (left) and Julie LeClair, the best of the 390 runners.

Poised at the starting line, below.

The People who worked the race - They know who they are, but let me explain. In total there were over 40 people who helped as spotters at intersections and at water stops along the race route. Also there were over 25 people as race officials at the finish line area. Without the help of these people the race would not have run as smooth as it did. Thank you, you know who you are; it was indeed a pleasure working with such a supportive group of people.

Your Race Committee this year was Brian Bisson, Bob Caswell, Bob Gardner, Charles Prefontaine and Andy Wingate.

Joe McCarthy, Julie LeClair Take Top Honors

Joe McCarthy of the New Bedford Track Club was the first to cross the finish line covering the new course of five miles in 26:12, his fastest time ever for that distance.

Julie LeClair was the first female to cross the finish line breaking the 30:00 minute mark easily in a time of 29:40. She is the first woman to break 30:00 in the twelve year history of the race.

Top finishers, women: Julie LeClair, 29:40, Mattapoisett; Betty Prescott, 30:31; Jean McNerney, 31:04, Mattapoisett; Kathy Olney, 31:18, Mattapoisett; Lea McBratney, 31:34.

Top finishers, men: Joe McCarthy, 26:12; Robert Malm, 26:16; Mark Coogan, 26:16, Mattapoisett; Earl McEvoy, 26:27; Brian Head, 26:34.

Top finishers in the division from Mattapoisett are: Open Male: Doug Olney, John Newman, Tim Dunn; Submaster Male: Joe Rideaux, John Makuch, Brian Bisson; Master Male: Joseph Linnehan, Richard LeClair, Ed Scholter; High School: Scott Jepson, Keith Ainsworth, Mark Babcock; Junior Male: Dennis Newman, Brian Renzi, Andy Hiller.

Open Female: Kathy Olney, Maura LeClair, Nancy Wilbur.

Submaster Female: Pam Hiller, Jane Egan, Betsy Olsen.

High School Female: Sarah Garrett, Pam Pierce, Joannah Coville.

Junior Female: Erin Osborne, Sarah Whinnen, Jennifer Levier.

David Jenney came in 2nd overall in the Master Division. Mark Coogan took first place honors for high school division overall.

Jean McNerney took 2nd overall in open female division. Laura Linnehan took first place overall in high school division.

Overall the runners running for the Town of Mattapoisett can be very proud of their showing in the overall division. We not only had 123 run in the race out of 390 but we took home seven of the 18 overall trophies awarded.

Good Race, Good Job, Great Town.

Queen and Court Softball

COMING TO WAREHAM

Coming to the Wareham High School Field on August 6 is the greatest woman softball pitcher in the WORLD and the prettiest, too. Rose Beaird Black, the Queen, and her fabulous court 4-member softball team are taking on Wareham's best, the Nest II Stars. Rosie's lifetime record includes 168 perfect games, 402 no-hitters, 581 shutouts and 32,353 strikeouts. Against an array of men's all-star teams, 9 and 10 players,

Rosie has chalked up 1,812 career victories while losing only 74. The Queen averages 132 wins each season and only rarely loses. The Queen and Court 4-member softball team is again touring the East and will be playing under the lights Friday, August 6, at 8 p.m. against the best the

Marion was awarded Your Theatre's annual Mary A. Smith Scholarship. Ms. Fernandes, who graduated from Old Rochester Regional High School, plans to attend Roger Williams College, pursuing studies in theatre arts.

In her address to the membership, President Messier noted that the past season was one of combined efforts and many new helpful hands. The season was a successful one, both artistically and financially, and she thanked all those who helped make 1981-1982 a favorable year for Your Theatre.

College Academy

Four local youngsters are attending College Academy, a three week program for gifted and academically talented children in grades four through eight at Stonehill College. The program which meets from July 6 to July 23 is hosted by four institutions of higher learning: Framingham State College, Stonehill College in North Easton, the College of the Holy Cross in Worcester and Regis College in Weston.

Staffed by professionals both in academic fields and specialists in Gifted Education, the program serves many needs. In addition to its academic function, College Academy offers bright young people a congenial atmosphere for social, psychological and educational growth.

Architecture, Rocketry and Creative Writing are offerings usually associated with university students. This summer they are just a sample of the forty-five courses

SHIPS SAIL IN DUTCH PRINTS

An exhibition of 93 prints depicting Dutch sailing ships built between 1550 and 1900 will open at the New Bedford Whaling Museum on August 15th through September 30th. The exhibition has been organized by the International Exhibition Foundation in Washington, D.C. in cooperation with the Rijksprentenkabinet of the Rijksmuseum in Amsterdam, to commemorate the 200th anniversary of the commencement of diplomatic relations between the U.S. and the Netherlands.

The exhibition marks the first time the Rijksmuseum printroom has lent such a large number of etchings, engravings, lithographs, and woodcuts for a U.S. tour. His excel-

lege August 15-22. The scholarship recipient will join over 100 other students from across the state to gain a better understanding of the American private enterprise system and business in general.

Among the activities planned for the week will be field trips to local companies where students will see first-hand management techniques and production; debates of topical business issues during mock company meetings between business professionals, students and teachers; participation in a computerized management game that simulates a manufacturing company's operations; and case studies of business problems presented in discussion form.

Business professionals from all over the state become the faculty for the week offering their personal experiences and expertise. They will challenge the students with new ideas about motivation and career goals.

Ms. Bergeron was chosen on demonstrated leadership qualities and sincere interest in becoming a part of the intense, week-long program. The scholarship was awarded on the basis of a short essay.

KODALY CENTER CONCERT FEATURES FIRST U.S. PERFORMANCE AT GALA BENEFIT

"Sirato" (Lament), composed in honor of composer Zoltan Kodaly by his dear friend and colleague, Elizabeth Szonyi, will receive its first U.S. performance as a part of the Kodaly Center Concert Series on July 26 in Southeastern Massachusetts University's Main Auditorium at 8 p.m.

1982-83 is Kodaly's Centennial Year (1882-1967) with many commemorative concerts taking place internationally. KCA will honor Kodaly's memory this summer through performances of works for women's chorus, his great solo sonata for cello and the "Sirato". The lament, a typically European expression of grief following a person's death, is traditionally improvised by a member of the deceased's family -- the husband, wife, son or daughter, for instance.

of Music Education at Budapest's Liszt Academy of Music, has composed works in many idioms, including an organ concerto, a contemporary opera for children and several choral works; she is also the author of "Musical Reading and Writing", a basic text for the development of musical literacy skills.

The "Sirato's" folk text is difficult to translate because of its very personal and improvised character; it will be sung in the original Hungarian by the KCA Women's Chorus.

Other works on the July 26th program, which will benefit KCA's Summer Course scholarship funds and Concert Series, include Mozart's "Laudate Dominum" with Pamela Wood as soprano soloist, a Vivaldi flute concerto with Peggy Friedland, soloist, Tchaikowsky's Serenade for Strings, and Dvorak's Concerto for 'cello and orchestra', Csaba Onczay, soloist.

Tickets will be available at the door.

"F.D.R. IN WESTPORT: A PERSONAL MEMOIR" by HARTLEY E. HOWE

On Sunday afternoon, July 25th, at 3 p.m. the Westport Historical Society once again welcomes Mr. Hartley Howe as he presents a talk entitled "F.D.R. in Westport: A Personal Memoir". Mr. Howe lived in Washington at the time of the Wilson Administration while his father, Louis McHenry Howe, was an aide to Franklin Delano Roosevelt, then Assistant Secretary of the Navy. It was during the period from 1911 to 1936 as Roosevelt's political tutor and confidant, that Louis occasionally entertained F.D.R. at the Howe summer home at Horseneck.

Recently retired as professor of journalism at the University of Wisconsin at Madison, Hartley Howe is now living on his Westport farm, The Ivory Silo. A journalist by profession, he has been associated with Popular Science, Life Magazine, and the United Press. He was contributing editor in science and technology to the Atlantic Monthly. He has served as information director for both the English Speaking Union and Freedom House. Hartley Howe is a graduate of B.M.C. Durfee High School and Harvard College.

The talk will take place in the Pacific Union Congregational Church, 526 Old County Road in the Head of Westport. The public is cordially invited to attend. There will be a small admission charge for those who are not members of the Historical Society. This

Checking Treadwear

A tire's ability to hold the road decreases as the tire's tread wears down. When the depth of a tire's groove is one-16th of an inch or less, lateral wear bars appear across the grain of the tread.

A tire that reaches this point is potentially hazardous, particularly on wet pavement, and should be replaced, according to Bill Woehrle, manager of industry standards for Uniroyal Tire Company.

The tread depth of a tire can be easily measured with a ruler, or with a Lincoln-head penny, he says. If a ruler is not available, insert the penny with Lincoln's head down; if you can see all of Lincoln's head, the tread is less than one-16th of an inch and the tire needs to be replaced.

Zeiterion Comes to Life

ZEITERION THEATRE IN PHASE ONE OF RENOVATION, HIRES CONTRACTORS

The ZEITERION THEATRE in downtown New Bedford (formerly the State Cinema) is buzzing with activity this month. Contractors and volunteers, working hand in hand, are rushing to complete Phase One of a projected six hundred thousand dollar renovation so that the 1923 vaudeville theatre will be ready for its grand re-opening in September.

The restoration is being supervised by Bob Foreman of New York City and architects Dyer/Brown & Associates, Inc., of New Bedford and Boston. Joe Booth, Chip Gillespie, and Mark Schmidt are the architects for this project.

Phase One of the renovation includes refurbishment of the theatre lobby to its original grandeur, complete with marble walls, gold leaf ceilings, mahogany woodwork and elaborate indirect lighting. Portions of the auditorium will be painted as well, to reflect the appearance of the entire room when funding becomes available to complete the project.

Volunteers have thus far played a large part in the renovation of the Zeiterion Theatre. From stripping woodwork to operating specialized stage equipment to painting dressing rooms, some sixty interested community members have donated their time to this all-important project. More are needed for evening work, and interested persons should contact the theatre office at 997-5664 if they would like to join up.

ROSE JAR WORKSHOP

Now is the time to gather rose petals if you are interested in learning to prepare your very own Rose Jar. A workshop for members will be held on Wednesday, September 22, 7-9 p.m., at the YWCA; Mrs. Elizabeth Carter, instructor, will share her special family recipe for Rose Jar in use since about 1930.

Your summer assignment is to collect and dry rose petals so that you will have sufficient petals to work with. For details about the drying process and registration call the YWCA.

ART EXHIBITOR FOR JULY-AUGUST AT YWCA

Mrs. Patricia Barton White's watercolors will be on exhibit in the YWCA Lobby during July-August 1982.

She was a recent exhibitor when the YWCA watercolor class had their exhibit in March. Patricia studied watercolor under Mrs. Mary Lindenberg's guidance and inspiration. According to Mrs. Lindenberg, Patricia can literally do a masterpiece a night.

The public is invited to view the exhibit Monday - Friday, 9 a.m. - 9 p.m. There will also be a demonstration by the artist on Wednesday, July 28, 2 - 4 p.m. in the lobby.

Meet the artist night will be on August 4, 7-8:30 p.m. You'll have an opportunity to discuss her favorite pastime as well as a leisurely enjoyment of her paintings.

Refreshments will be served.

EMPIRE BRASS QUINTET AT HERITAGE

The Empire Brass Quintet returns for its fourth year to Heritage Plantation of Sandwich on Cape Cod on Saturday, July 24th, at 7:30 p.m.; rain date for the performance is Sunday evening, July 25th.

The group has achieved international critical acclaim. In 1976 they became the first brass ensemble ever to receive the coveted Naumburg Chamber Music Award, and in 1980 they were awarded the Harvard Musical Association Prize. They have appeared on national television with the late Arthur Fiedler's New Year's Eve at the Pops Concerts, as well as on the NBC Today show. Ongoing projects include an annual concert series in Massachusetts, the Empire Brass
